TIMKEN® SET-RIGHT® COMMERCIAL VEHICLE HUB REBUILD KITS

Outlasts and Outperforms Competitor Bearings*, Accurate and Consistent Bearing Setting, Streamlined Inventory Management

**Based on 2012 comparison testing conducted with case-carburized bearings against top competitors. All bearings were commercially available and produced in North America. Information derived from Timken Standard Life Testing, using significant statistical samplings of bearings in a controlled test environment.*

The Timken team applies their know-how to improve the reliability and performance of machinery in diverse markets worldwide. The company designs, makes and markets bearings, gear drives, automated lubrication systems, belts, brakes, clutches, chain, couplings, linear motion products and related industrial motion rebuild and repair services.
