

2022 Paper Mill Training Information

TIMKEN

2022 PMIT SCHOOL DATES

- August 17-18, 2022

This is a hands-on two day school

- Classes include: bearing fundamentals, installation & removal, product overviews, measurement of bearings, bearing damage analysis, lubrication and bearing maintenance
- Tours include: Timken bearing mfg. & bearing repair, (depends on location)
- Certification issued to individuals when completed
- Lunches, dinners and travel between locations included in cost below

Fees for the School:

The registration price for our customers will be **\$1,000** per person. There is a discount for multiple associates from the same location.

- For two (2) associates to attend \$950 each
- For three (3) associates to attend \$900 each
- For four (4) or more to attend \$850 each

Note that aftermarket distributor sales folks who are attending with their served end-users (who are paying to be at the school), attend free. If a distributor rep is attending independent of an end-user, they are subject to the school fee.

Please contact Mary Jo Maierhofer to get a quote / register your attendees and work out P.O./invoicing/billing concerns. In order to secure a spot for a class a P.O. must be sent in 3 weeks prior to the class date. To request a quote contact Mary Jo at: maryjo.maierhofer@timken.com
