

# Timken Roller Bearings

## Warnings and Cautions

### **WARNING**

***Failure to observe the following warnings  
could create a risk of death or serious injury.***

Never spin a bearing with compressed air. The components may be forcefully expelled.

Proper maintenance and handling practices are critical. Always follow installation instructions and maintain proper lubrication.

A bearing/component should not be put into service if its shelf life has been exceeded.

### **CAUTION**

***Failure to follow these cautions  
may result in property damage.***

Use of improper bearing fits may cause damage to equipment.

Do not use damaged bearings.
