SERVICE, REPAIR, PARTS, MODIFICATION, MAINTENANCE, INSPECTION AND TEST**

1. ACCEPTANCE

All orders are subject to acceptance by Timken Motor & Crane Services LLC ("Seller"). Any acceptance by Seller of Buyer's order is expressly made conditional on Buyer's assent to any additional or different terms and Conditions contained herein, and all sales and charges of the products listed herein shall be, in the case of conflict between the terms and conditions of Buyer and Seller, interpreted and governed exclusively by the terms and conditions contained herein. Seller shall not be bound by any terms and conditions proposed by Buyer, whether in Its purchase order or otherwise, which are additional to or different from the terms and conditions set forth herein, unless and only if accepted in writing by a principal officer of the Seller or his designated representative.

2. TAXES

The Seller's prices do not include any applicable sales, use, excise, value added or similar taxes; and the amount of any such tax which the Seller may be required to pay or collect will be added to each invoice unless the Buyer has furnished the Seller with a valid tax exemption certificate acceptable to the taxing authorities.

Where a Buyer fails to furnish the required documentation, the previously unpaid sales, use, excise, or similar tax will be billed to the Buyer.

If, upon subsequent sales, use, excise, or similar tax audit, an exemption certificate provided to the Seller by Buyer is, through no fault of the Seller, determined to be invalid, the Seller will attempt to acquire a valid exemption certificate, notarized affidavit of exempt use, or other necessary documentation from Buyer. If Buyer fails to timely furnish a valid exemption certificate, notarized affidavit or other necessary documentation, the previously unpaid sales, use or similar excise tax will be billed to Buyer.

3. TERMS

Progress payments are required for an order exceeding \$250,000. Payment shall be due thirty (30) days from date of invoice, which shall be the date of shipment or agreed progress payments as applicable. Amounts past due are subject to a service charge of 1 and 1/4 percent per month (or fraction thereof) or if less, the maximum contract rate permitted by law. If the Seller deems that by reason of the financial condition of the Buyer or otherwise, the continuance of any services or shipment on the terms specified herein is not justified, the Seller may require full or partial payment in advance. The Seller at its option may retain possession of equipment repaired, modified, inspected, tested, maintained or serviced under this agreement until its billings (final or progress) are paid. If such charges are not paid within 90 days following completion of the work and the invoicing to the Buyer, the Seller may upon not less than 7 days written notice by certified mail to the Buyer at the Buyer's last known address sell the equipment at public or private sale and apply the net proceeds to the Seller charge.

Upon Seller's approval in each case, portions of an invoice in dispute may be deducted and the balance remitted with a detailed explanation of the deduction. Such disputed amounts that are later paid are subject to the above interest charges from the original date due.
